SUBJECT: BEAST Instrumentation Procurement Progress Report #2.

---

Dear Frank,

This letter serves as a progress report for Purchase Order number 974558. To date, we are 90% complete after achieving the following deliverables:

- + Site training for sensor installation
- + Site training for data acquisition wiring, site acceptance testing, and verification of data recording.

The following includes remaining items to be delivered by BDI:

- + Training of Rutgers staff on the system programming.
- + Assistance during Site acceptance testing (SAT).

Regards,
